

Emergency Medical Services

Darien EMS-Post 53 provides all volunteer basic emergency medical services. Additionally, the Town contracts for Paramedic services for more advanced calls based on dispatch protocols and call taker screening. The town funds items that are necessary for the delivery of first responder EMS, such as;

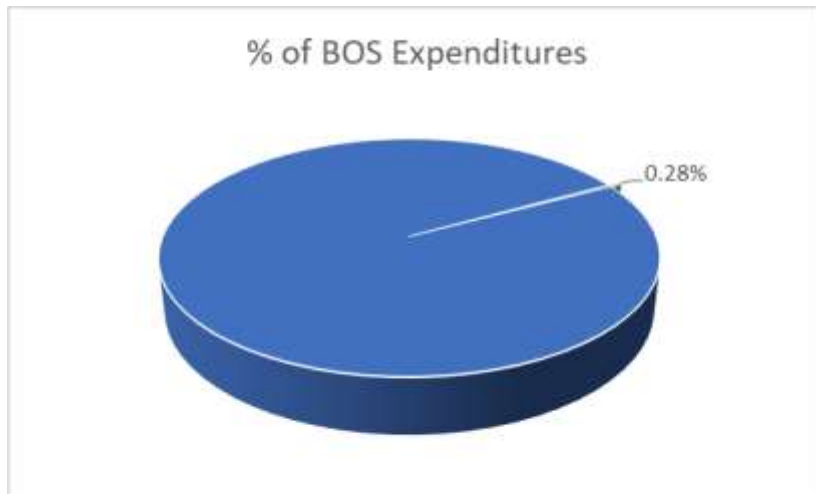

- EMS Dispatching contracted through South West Regional Communication Center.
- Communications assessment for pre-hospital communications from ambulance to hospital.
- Contractual Cost of Paramedic Contract.
- Radio Repair- Account to provide for town paramedic vehicle and portable radio maintenance.
- Wireless Data- Account to provide for town paramedic-vehicle data for IPad.
- Equipment Maintenance- Cost associated with the annual maintenance of Automatic External Defibrillator.

Darien EMS is equipped with:

- 3-2019 Ambulances
- 3-(2010 Ford, 2013 Ford, 2020 Chevy) Fly-cars

Contracted Paramedic is equipped with:

- 1-2018 Chevy Tahoe Fly-car
